

IEEE Toronto Section, Life Members Chapter

Report of Meeting held on Tuesday, April 20, 2004 by Ian Dutton

Topic: Using the Internet to Access IEEE Services

Location: University of Toronto, Galbraith Building, Room 150.

Present: Bob Alden; Wallas Khella; Gordon Slemon; Joe Karnas; Ian Dutton
Stan Hiraki; Fung Fai Lam; Robert Veitch; Walter Zessner; Sim Murthy;
David Bawden; Gordon Chen.

Bob Alden, using a computer and digital projector, took attendees on a tour of IEEE Internet Services. He also distributed a two-page information guide with three sections: Connecting to four IEEE web sites; Accessing IEEE Internet Services; Connecting to three IEEE Life Member web sites.

Bob urged those present to explore the various sites to see the wealth of information available. He also urged members to upgrade to Senior Life Member to more accurately indicate the wealth of knowledge and experience of our life members.

The members present expressed their appreciation to Bob for his clear, helpful presentation.

A light lunch and refreshments were served prior to the meeting.
