

ENGINEERING INNOVATIONS FORUM

SPECIAL INVITATION

TO: The IEEE Members

RE: ENGINEERING INNOVATIONS FORUM 2006:

"ROBOTICS"

Time: Thursday, March 2, 2006, 7:00 - 9:00 PM

Place: Ontario Science Centre - Toronto

You are cordially invited to this public Forum on the important and timely topic of "ROBOTICS". The Forum is part of the Engineering Week activities, and is organized by a volunteer group of engineering professionals in the Greater Toronto Area. The Forum is sponsored by OACETT, PEO, OSPE Bank of Nova Scotia, Toronto Hydro, CBRE, Daimler Chrysler, and Hatch. The previous annual Forums were very successful and well attended. The program for this event includes:

- ***Manufacturing;***
- ***Medicine; and***
- ***Space.***

You are also welcome to a post-forum reception from 9:00 - 10:00 PM. Refreshments will be served after the Forum. This event offers a good opportunity for you to network with colleagues, and to meet speakers, organizers, other professionals, exhibitors and the media.

A large attendance is once again expected due to this topical issue. If at all possible, please, let us know if you are coming so that we can make sure there are enough refreshments available. Bring your family and friends. Looking forward to seeing you at the Forum.

Sincerely Yours,

V. Stanley Weiss, P. Eng.
Immediate Past Chair,
Steering Committee EIF 2006
