Call for Papers
53rd Industrial & Commercial Power Systems (I&CPS) Technical Conference
Niagara Falls, ON, Canada, May 8-11, 2017

The IEEE-IAS Industrial & Commercial Power Systems Department invites you to submit papers for presentation at the 2017 53rd Annual I&CPS Conference which will be held at the Crown Plaza Niagara Falls-Fallsview, 5685 Falls Avenue, Niagara Falls, ON L2E 6W7.

Subject Matter:

The general scope of the conference is to provide practical information about the planning, design, construction, operation and analysis of industrial and commercial power systems.

Some examples of the topics annually presented for this conference are:

Power System Engineering		
Power System Design	Forensic	Power System Grounding
Power System Analysis	Education and Healthcare	Power System Reliability
Emergency & Standby Systems	Maintenance-Operation-Safety	Ports and Harbors
Power Quality		
Power System Protection		
Low Voltage Protection	Medium Voltage Protection	Surge Protection
Generator & Ground Fault Protection of Medium Voltage Installations		
Energy Systems		
Distributed Energy Resources		
Codes & Standards		

Please visit the IEEE Xplore website at <http://ieeexplore.ieee.org/Xplore/questhome.jsp> to view topics and authors from previous conferences.

Submission and Contact Information

Prospective authors should prepare a complete manuscript of the final paper draft, with title and names, affiliations, addresses, and email of all co-authors. Submit electronic copy of Final draft by November 15, 2016, to:

Dr. Massimo Mitolo, I&CPS Department Vice-Chair, Papers
ESI
26632 Towne Centre Drive, STE 101
Foothill Ranch, CA92610, USA
E-mail: <mailto:mitolo@ieee.org>

Authors will be notified about the acceptance of their paper by December 15, 2016. Final papers for Conference record must be submitted to ScholarOne by February 15, 2017. One of authors of each paper must present the paper in person at the Conference.
